

The Medicine Hat Police Service is committed to serving and protecting our community with pride through professional and progressive policing.

We welcome your feedback about a specific officer or civilian member and the service you received. Please take a moment to provide your valuable feedback on the reverse side of this form.

Your comments will be reviewed by the Chief of Police and the staff member that is named will also receive a copy.

Your personal information is optional.

Any criticism received via this form will not be considered as an official complaint.
